

C1127 Middle School Introduction To Sign Language

Wendy Ray

In this camp, students will begin learning sign language. The basics will be taught first starting with the Alphabet and finger spelling words. Then associating signs for words and the structure of ASL. Emphasis will be placed on everyday communications and being able to communicate with a deaf or hard of hearing person. Exposure to deaf community and will also be covered. Comprehension of ASL and signing to one another will be covered at a high level.
