

Christian Educators Resource Center

Scrapbook Fun for Teens

DeAnn Carrillo

Theory, Technique, Foundation, and Success!

This core SDU curriculum provides each student with:

-A 4-part education series for every skill

*Scrapbook Basics

*Building Blocks of Design

*Power of the Pen

*The Final Touch

-A chance to get acquainted with the tools of the trade

-The opportunity to learn successful color selection & layout design theory

-An appreciation for the importance of journaling, hand lettering and titles in design

-New techniques for matting photos, getting stickers out of the collections, and giving new life to punches

-A certificate of completion upon finishing the entire course

Materials Needed: One medium large scrapbook of choice, 10-20 photos which are related or groupings that are related. These photos must be printed on photo paper and no sizes larger than 5x7. Please, be aware that photos will be used in the scrapbook.

Tuition: \$65

Materials Fee: \$20

Grade Level: 7th – 12th
