### We now offer a Portfolio Assembly Session

Kathleen will bring supplies so you can put your portfolios together and begin the record keeping process the very next day! You will take home a binder with forms and dividers - you'll be ready to go. You will receive copies of Course Objectives for a variety of classes plus copies of blank Course Worksheets to use when compiling your child's records.

The Portfolio Kit includes a heavy duty binder, dividers and labels for major subjects & 30 courses, plus more than 70 pages of additional information and forms to make record keeping even easier! You also receive a password so you can download Word, Excel and PDF files of all the forms included in the Kit.
