*Shakespeare and summer go together like corn dogs and the state fair! "Much Ado About Nothing" is a comedy filled with a mix-up of characters. Audiences will be amused at the fun-loving banter of Beatrice and Bendick and the victims of a lovers' scheme, Hero and Claudio, on their wedding day. This will be a two-week camp filled with preparations of the show: acting, costumes, sound, set-construction and character development. Do not be afraid of Shakespeare! If you have never read or seen a Shakespearean play OR if you have read every Shakespearean play and are a card carrying member of Shakespeare in the Park you will fit right in to this camp!*
